

New Scott® Control Toilet Tissue System

The new **Scott® Control Toilet Tissue System** dispenses through a high hygiene KCP* AQUARIUS dispenser and has been designed to control spend in the washroom.

SYSTEM ADVANTAGES

Hygienic

You only touch the sheet you use from a fully enclosed, one wipe clean dispenser with no dirt traps

Exceptional cost in use

Controlled single sheet dispensing to reduce the usage of toilet tissue

The highest capacity centrefeed bath tissue system

Reduced refill events for improved efficiency of staff

Excellent Dispensing

Toilet tissue dispenses smoothly and consistently one sheet at a time
